CONVENTION'S HALL

Of MS Amaragua's facilities, those orientated towards events distinguish themselves above all. The San Miguel conference hall welcomes us to 8 magnificent halls, designed and equipped with the most advanced technology, in order for expectations to always be reached with success. Independent halls, adjustable into modules and sound proof, which cover the needs of between 20 and 1200 people.

The San Miguel conference hall has facilities for light vehicle access and direct access from the hotel and from La Carihuella promenade, where the Mediterranean Sea receives us again.

Four independent halls and a gallery situated on the bottom floor, completely equipped with all the technological needs you require, offer great versatility for your conferences or business meetings.
